ask when the next family dinner is

Spare card

Read after “Who is most likely to…?” Point together; self-votes allowed. At least two votes for a pick; otherwise no pick. Ties share. No points. Passes welcome.

Spare card

Party games on everyone’s phone. Host in your browser; friends scan your QR code and join with no app, no account and no sign-up.

Spare card

gaspalot.app/printables/most-likely-to-cards

Most Likely To · picks, never points

Set spare cards aside. Read “Who is most likely to…?” and a phrase. Count down aloud and point together; self-votes are allowed. A pick needs at least two votes; if nobody reaches two, there is no pick. Tied leaders share only when each has at least two votes. No points. Passes are welcome. Change readers and end after each guest has read or passed.

Question	Room’s pick	A story to remember
